COCKPIT

A futuristic robot head is centered in the frame. The robot has a dark, metallic, and highly detailed head with various sensors, lenses, and mechanical components. The central feature is a large, square, blue-tinted screen that displays the text "THANK YOU FOR YOUR ATTENTION" in a bright, glowing, sans-serif font. The background is a complex, dark blue digital interface with numerous glowing elements, including circular gauges, rectangular panels with icons, and abstract light patterns. The overall aesthetic is high-tech and cybernetic.

**THANK YOU
FOR YOUR
ATTENTION**
